

### Hole 1 Captains Drive

	Distance	SI
White Tee	273	15
Yellow Tee	268	15
Red Tee	265	14

#### Pros Tip

Risk and reward for the long hitter. A straight drive can find the green but a drive pulled left will find the Out Of Bounds. The safe play is a medium iron off the tee followed by a short iron to the large green which slopes back to front and right to left
